Reflection on last years activities:

Many initial steps facilitated by Donna Crudder of *Corporation for a Skilled Workforce*.
Organizing Committee met to determine initial priorities and short term time line.
Agreed this would be an action oriented group, not a venue for complaints on issues that are not actionable.

Two primary focus areas for the upcoming year will be youth/industry connectivity and advanced manufacturers' networking.

Activities:

- 1) Network:** Regular high value events for small/large companies, membership
- 2) Image:** Ad campaign, news/pres groups, career stories.
- 3) Pipe-Line:** Internships, school-to-work teacher internship programs, classroom to work faculty/administrators, capture experience
- 4) Training:** (Shared costs, resource) programs that address Adv. Mfg. needs
- 5) Hiring:** Internships, job descriptions
